**Vaidyasastrakusala Dr. (Mrs.) M. Poonen Lukose:** I do not think any patient can be fed properly on that small amount. But, this does not follow from the statement given.

**Mr. K. K. Kuruvilla:** Then how does the member account for the provision of Rs. 4,600 for 4255 patients? Should there not be a higher provision than this?

**Vaidyasastrakusala Dr. (Mrs.) M. Poonen Lukose:** Sir, patients stay in the hospitals for varying periods. It may be one or two days in some cases, and 30 days in others. Therefore, that inference cannot be drawn from this statement.

**Mr. K. K. Kuruvilla:** May I know how much money has been spent per day, per patient?

**Vaidyasastrakusala Dr. (Mrs.) M. Poonen Lukose:** That also varies. Sir, it depends upon the kind of diet prescribed.
